

**On September 28 will be held
IV International Investment Forum
"AKTOBE INVEST 2016"
in the Aktobe city**

The main objective of the Forum - presentation of the investment potential of the region, promoting its favorable investment image, as well as to further stimulate the inflow of domestic and foreign investment to the region's economy.

Within the Forum will be presented advantages of the Aktobe region for business, long-term projects for investment, will be discussed issues of economic growth in realities of the global economy, questions on expanding of agricultural products to foreign markets, the integration within the EAEC, etc.

Heads of the government of RK, national companies, financial institutions, the most authoritative Kazakh businessmen, heads of states of foreign countries, foreign investors and experts invited to participate in the Forum.

On the Forum in plenary session on "**Aktobe region – the territory of investment safety and security**" following issues will be discussed:

- *Aktobe region - ideal platform for investments. Kazakhstan in the fight for investments. Availability of mineral deposits, prices for energy, qualification of cadres, transport logistics, public support measures and other;*
- *The international market of foods and beverage products. Main trends in global markets. What can offer the Aktobe region producers of organic products and beverages?*
- *Opportunities of small and medium enterprises to expand into foreign markets?*
- *Cooperation within the framework of the Eurasian Economic Union. Views of states bodies and business;*
- *Presentation of projects for new investments in the field of metallurgy, building materials, agriculture, and medicine.*

In addition, Forum participants can take part in organized panel sessions on such topics as:

- *"The further development of the market of products for a healthy diet - a view from the experts and business";*
- *"Focus on the manufacturing industry";*
- *"Public-private partnership: the new pattern of interaction with business to solve social problems".*

Also, guests of the Forum, if desired, may act as speakers at the Plenary Session or at Panel Session.
