**Subject:** Infant Milk Tender - Botswana

**Good Morning,**

Kindly link us up with Manufacturing Entities in Turkey that manufacturer Infant Milk Powder.

Please do call us in you need any further clarity.

We wish to get quotations for a Botswana Government Tender for the provision of 2 600 000 cans of 400g Infant Formula Milk over the next 24 months.

Ideally, the manufacturer that we will do business with will partner with us to package a world-class bid for this tender which closes during the month of July 2017.

Our company – Kaylane (Pty) Ltd – is fully licensed Import/Exporter and also accredited to do business with the Botswana Government.

Kindly revert soonest.

Best Regards,
