## INVITATION

In May 2017, Chinese President Xi Jinping announced at the *Belt and Road Forum for International Cooperation* that China will hold *China International Import Expo (CIIE)* starting from 2018.

It is a significant move for the Chinese Government to hold CIIE with a view of firmly supporting trade liberalization and economic globalization and actively opening the market to the world. It facilitates countries and regions all over the world to strengthen economic and trade cooperation, and to promote global trade and world economic growth in order to advance the development of an open world economy.

The Chinese Government sincerely welcomes government officials, friends from business community, exhibitors and professional purchasers across the world to participate in CIIE and to explore the Chinese market. We would like to work with all countries, regions and international organizations to strive for making CIIE a world-class Expo, providing new channels for countries and regions to do business, strengthening cooperation and promoting common prosperity of the world economy and trade.

# HIGHLIGHTS

## HUGE CHINESE MARKET, RAPID GROWTH OF CONSUMPTION AND IMPORT

With the world's largest population, China is the second largest economy, as well as the second largest importer and consumer in the world. Now China has entered a new development stage on which consumption keeps increasing, indicating enormous potential for the growth of consumption and import. In the next five years, China is expecting to import products and services valuing more than 10 trillion U.S. dollars, which provides a historic opportunity for enterprises across the world to enter the huge Chinese market.

## IDEAL LOCATION OF SHANGHAI, AS TRADE CENTER OF CHINA

Located at Yangtze River Delta Economic Zone, Shanghai enjoys favorable location advantage, great economic strength, well-developed service industries and the ability to allocate global resources. The container throughput of Shanghai Port has been ranking the first place for seven consecutive years. The passenger throughput of airport exceeds 100 million, with flight network covering 255 cities around the world.

## LARGE EXHIBITION, DIVERSIFIED AND TARGETED SUPPORTING ACTIVITIES

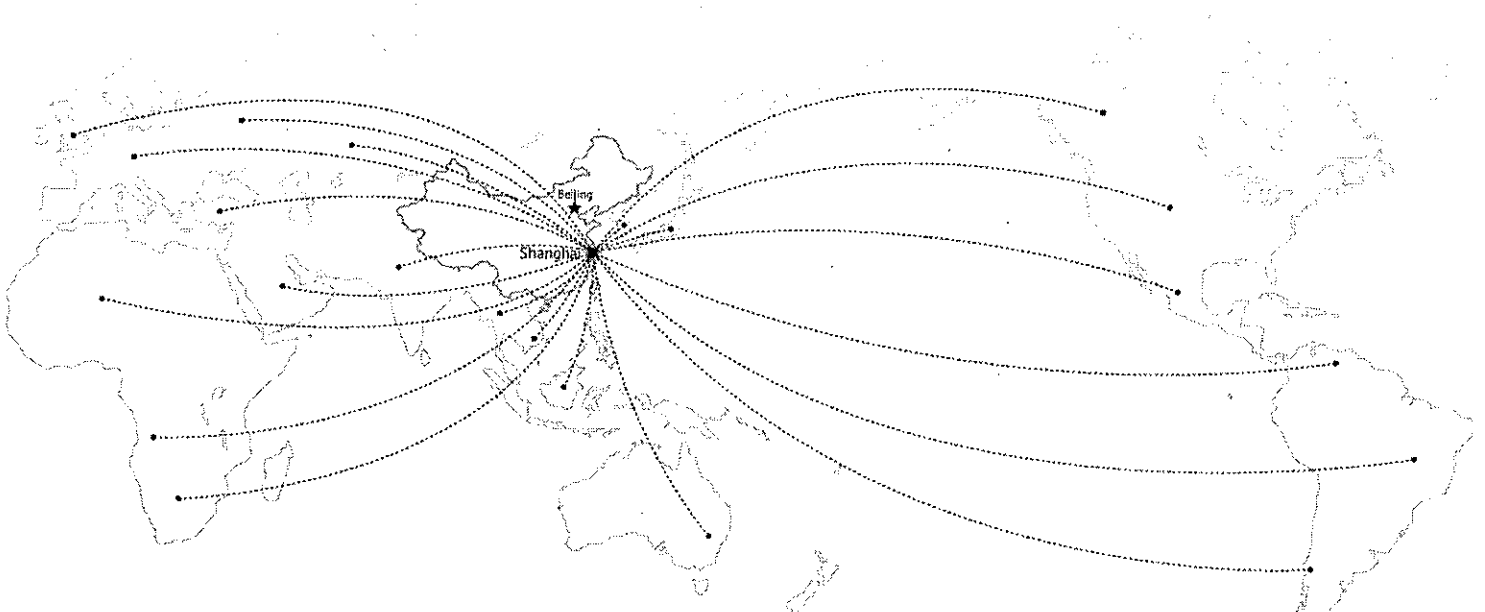

Enterprises from over 100 countries and regions are expected to participate in the first CIIE. Supporting activities such as supply-demand matchmaking meetings, seminars and product release will be held during the Expo.

## MULTIPLE MEASURES GUARANTEEING ALL-ROUND AND EFFECTIVE SERVICE

CIIE will facilitate participation in terms of customs clearance, inspection and quarantine, provide long-term one-stop transaction services online and offline, and strengthen protection of intellectual property rights to safeguard the rights and interests of merchants.

## STRONG PURCHASE DEMAND, A LARGE NUMBER OF PROFESSIONAL PURCHASERS

CIIE will invite Chinese enterprises from the whole country to come to do business. Merchants from third countries will also be invited to the Expo. It's estimated that 150,000 domestic and foreign professional purchasers will participate in the Expo.
