Transformation Of Nigeria Agriculture
Through Sustainable Technology Innovation

www.agritechnigeria.net

Welcome Message From Executive Governor, State of Osun

Present to you warm greetings of the government and good people of Nigeria at the State of Osun.

It is my pleasure to welcome you to the state of Osun, the host state of the first International Agricultural Exhibitions and Conference to enhance performance and improve agricultural production, sustainability value addition /processing complete with marketing in Nigeria. I am pleased to welcome you all to this landmark agricultural event - AGRITECH NIGERIA OSUN 2018, the first of its kind in Africa.

Agritech Nigeria Osun 2018 will contribute immensely to the ongoing economic diversification efforts of our government by enhancing massive influx of agricultural technologies and investments to the economy of Nigeria.

Osun is a land of opportunities for business, investors, agriculturists, manufacturers, traders, processors, Bio-technology, Soil reclamation, Veterinary, Marketing, Irrigation and Water Management and more.

If government has committed itself fully to ensure the success of this event of its magnitude, it is, without doubt, we have created enabling environment for exhibitors, visitors, journalists and

Participants all over the world.
We look forward to this AgriTech Nigeria Osun 2018 International Exhibitions and Conference to enhance performance and improve agricultural production, sustainability value addition /processing complete with marketing in Nigeria. I am pleased to welcome you all to this landmark agricultural event - AGRITECH NIGERIA OSUN 2018, the first of its kind in Africa.

As the Chief Security Officer of the State of Osun, I assure you strongly that there is an enduring security within the state and its environs. This will be guaranteed before, during and after this noble Agricultural Exhibitions and Conference - Agritech Nigeria Osun 2018.

Signed
Oluwalana Akindele
The Executive Governor
State of Osun
Federal Republic of Nigeria

No. 54

LETTER OF INVITATION AGRITECH NIGERIA OSUN 2018

On behalf of the Government of Federal Republic of Nigeria, the State of Osun and the Organizing Committee of the AGRITECH NIGERIA OSUN 2018, we invite you to participate in this year's exhibition and conference.

This programme, under the theme "Transforming Agriculture through Sustainable Technologies innovation", is scheduled to take place at the Osun State Stadium, State of Osun, Nigeria.

AGRITECH NIGERIA OSUN 2018, is a major exhibition and Conference, which brings together various stakeholders from the Agricultural, Research, Education, Technology, Manufacturing, Marketing and other related sectors. It is an opportunity for exhibitors to demonstrate their latest products and services to a wide range of buyers, visitors, investors, and partners. The exhibition will feature a variety of exhibits, including equipment, machinery, tools, and materials used in agriculture, as well as research findings, publications, and other information on agricultural development.

The exhibition will be held on 25th November 2018, at the Osun State Stadium, State of Osun, Nigeria.

We are committed to ensuring that the exhibition is a success, and we invite all stakeholders to support this important event. We believe that AGRITECH NIGERIA OSUN 2018 will be a platform for sharing knowledge, ideas, and experiences, and for building partnerships that will contribute to the sustainable development of agriculture in Nigeria.

For more information, please visit our website at www.agritechnigeriaosun2018.com or contact us via email at info@agritechnigeriaosun2018.com.

We look forward to your participation and contribution to the success of AGRITECH NIGERIA OSUN 2018.

Yours sincerely,

Oluwalana Akindele

Message From The Organisers

Warm greetings from the organisers of Agritech Nigeria Osun 2018, Nigeria's largest international exhibition and conference on agriculture, farm machineries, dairy, poultry, irrigation and water technology, livestock equipment, seedlings, harvest and post harvesting technologies, processing technologies, agro tourism and B2B networking.

You are certain to meet over 200,000 small holders and commercial farmers who need your technologies and attractive business deals during the Agritech Nigeria Osun 2018. The international agro-technology exhibition and conference is scheduled to hold from 20th-22nd November, 2018 at Osogbo Stadium, Osun State, Nigeria.

Agritech Nigeria Osun 2018 is being organised by Fesco Agulu of Nigeria, Kenes Exhibition of Israel, the organiser of Agritech Israel, a leading agro-technology event in the world and the State Government of Osun, Nigeria. The event is with the Conference theme: "Transformation of Nigeria Agriculture Through Sustainable Agricultural Technologies And Innovations."

The keynote Speaker is Dr Adua Odebiyi, Honourable Minister of Agriculture and Rural Development of the Federal Republic of Nigeria. The event is also being backed with different topics that will attract speakers who are leaders in agro-based industry and academic across the world. In the course of enhancing performances and improved agricultural products for Nigerian farmers through innovative agro-technology.

Nigeria is a land of abundant opportunities, the largest market economy in Africa with a population of 200 million people, 65 percent of uncultivated arable land, 45 million Nigerians are into farming, both small holders and commercial farming. As you know, these farmers need your agricultural technologies and innovations to increase their agricultural productions. With the government economic policy that favours and places priority on greater investment in agricultural production and fast local market of 200 million people and beyond in the Africa sub-region, the government has put in place financial supports such as Anchor Borrower Programme to assist both small holders and commercial farmers, the policy is also aimed to drive youth employment through agriculture.

We invite you to join us as Exhibitors, Visitors and Participants at Agritech Nigeria Osun 2018, a platform for agriculture destination to increase your leads, sales and profit by exploring largest market economy in Africa.

We encourage you to take advantage of the partnerships and collaboration opportunities in this event. President Muhammadu Buhari, GCFR, President of the Federal Republic of Nigeria has been asked to declare the all-important event open.

State Governors, Ministers, Commissioners, Chairmen of 224 local governments in Nigeria, captains of industries, farmers and all stakeholders in Nigerian agricultural sector will be present at the exhibition and conference.

Welcome To Nigeria

The Guardian Monday July 3, 2017

500,000 Osun farmers to attend agri exhibition

Osun State Governor, Senatorade, has invited 500,000 farmers to attend the exhibition. The exhibition will be held at the Osun State Agricultural Research Institute, Ilesha, Osun State, on July 14, 2017. The exhibition is aimed at showcasing the state's agricultural produce and promoting agro-processing and value addition. The exhibition will feature displays of various agricultural products, including fruits, vegetables, and processed food items. It will also include a range of agricultural machinery and equipment. The exhibition is expected to attract a large number of visitors, including farmers, traders, and buyers. The exhibition will be organized by the state government, Osun State Agricultural Research Institute, and the Ministry of Agriculture and Rural Development. The exhibition is expected to generate significant revenue for the state and provide opportunities for farmers to sell their produce directly to consumers. The exhibition will also provide a platform for farmers to learn about new technologies and best practices in agriculture. The exhibition is expected to bring together farmers, traders, and buyers from across the state and neighboring states. The exhibition is expected to be a success and contribute significantly to the state's agricultural sector.
